**All India Rank 19**

**in JEE (Advanced) - 2024**

**Two Year Classroom  
Program (XI-XII)**

I, Bhavya Tiwari, joined FIITJEE South Delhi in 11<sup>th</sup> class in 2022 in two year classroom program.

It has been a great experience and I gained a lot of knowledge from my dedicated and hardworking teachers. They supported me throughout this time stressing hardwork and clarity in the subject.

A number of tests, such as weekly, monthly, phase tests helped me to identify my weak topics and regularly checked any overconfidence.

The Peer group was very competitive that gave an atmosphere to mock the exam feel.

In the past two years, I cleared NSEA, NSEP, IOQM, INMO, InPhO and attended a variety of maths and physics camps. I would suggest future aspirants to start early and join a premier institute such as FIITJEE South Delhi.
