

## Muhammed Sufiyan

**All India Rank 29**

**in JEE (Advanced) - 2024**

**Two Year Live  
 Interactive Online\*  
 Classroom Program  
 (XI-XII)**

I am Muhammed Sufiyan. I enrolled myself at FIITJEE 2 years ago for 2 year online classroom program. Enrolling at FIITJEE gave me a boost of both confidence and knowledge in my JEE preparation. The AITS tests simulated the conditions of JEE-advanced and provided high quality questions for practice, which made JEE-advanced seem like just another test in the week. The materials received every month through FIITJEE helped me increase my speed, which used to be my weakness but I converted it with the help of the pool of large number of questions to my strength. The Teachers at FIITJEE were always ready to help in every subject and discussions were held for every test that took place. FIITJEE helped me boost my self-belief and also showed me my potential. I would like to thank FIITJEE for contributing so much through the screen and being a vital part of this successful journey.
