I am Pulkit Gupta, I joined FIITJEE Dwarka from the Big Bang Edge test in class 9. I enrolled myself in the Four-year Classroom Program and later in class-11 upgraded to Two-year Integrated Classroom Program.

With the help of the expert guidance and mentorship from the FIITJEE Dwarka faculties, I managed to clear various exams such as MVPP, PRMO/IOQM, RMO, NSEJS, NSEA, NSEP, INJSO, INAO I also managed to do very well in JEE Mains, securing a 99.99 percentile.

The teachers and support staff at FIITJEE Dwarka were extremely supportive and did their best to help us. There were regular classes and tests which were always followed by a detailed test analysis session in which the teachers cleared all our doubts. The teachers provided us with a lot of study material, sheets, practice questions and question banks which thoroughly tested each and every part of the chapters. FIITJEE Dwarka also conducted many offline, online and CRT test series such as the AITS which not only provided a real exam like situation but also a thorough analysis of my own performance and a comparison with other students from all over the country.

I owe a huge part of my success to FIITJEE Dwarka who helped me achieve my potential and I would undoubtedly recommend FIITJEE Dwarka to any student who aspires to get a good rank in JEE Mains or Advanced.
