All India Rank 2

in JEE (Advanced) - 2024

Student of
**Four Year
 Classroom Program
 (IX - XII)**

Hi, I am Aditya. I joined FIITJEE Punjabi Bagh in 9th grade for Four year classroom program in 2020. The learning atmosphere and committed teachers made it a valuable experience from the start.

FIITJEE helped me realise my true potential. I got 1st rank in MVPP exam in class 9th. I also got selected in the Indian team for IJSO 2021 and got a gold medal there. I also qualified INMO. In class 11th, I got selected in the Indian team for IPHO 2023 and got a gold medal in the same. I also got a silver medal at APhO 2023.

Classroom environment in FIITJEE is very special. There are regular tests and quizzes to check the understanding of each topic. The faculty here are extremely helpful and are always ready to clear our doubts. AITS test series was very useful for me and helped me evaluate and analyse my performance at the national level. I would like to thank my parents, teachers at FIITJEE and all the staff in FIITJEE who have been instrumental in helping me achieve AIR in JEE Advanced 2024. I strongly recommend FIITJEE to my juniors.
