I am Rajdeep, a student of FIITJEE's 2-yr Online Classroom program. Securing All - India - rank - 6 in JEE Adv 2024 has been a dream come true. The online classes were highly effective and matched quality of off-line classes. Method of teaching at FIITJEE is the best part about it. Teachers at FIITJEE were exceptional, their guidance was invaluable and helped me grasp complex concepts with ease. The program's regular personal doubt-clearing sessions were incredibly helpful. My performance was significantly boosted by this program.

AI TS by FIITJEE is well designed. It provided the perfect platform to prepare for both JEE Mains + Advanced. The regular tests and their analysis helped improve my understanding of concepts. FIITJEE's comprehensive study material remained crucial in my preparation. The tests conducted are tailored to perfection, based on JEE Main and Advanced Pattern.

At FIITJEE, my studies were stress free which allowed me to spend time enjoying my hobbies while studying also. I owe my success to FIITJEE and my parents.

Heartily thanks to FIITJEE for helping me reach this milestone!
